ABOUT KALANGARAI

WHO WE ARE

Kalangarai Charitable and Educational Trust, established in 2018, works to empower students, youth, women and economically disadvantaged communities in Nagapattinam and its surrounding areas. Our key focus areas include Education, Health & Nutrition, Skill Development, Youth Empowerment, Livelihoods and Community Welfare, with special attention to rural and first-generation learners. Through Kalangarai IAS Academy and NEET Academy, we provide free coaching and guidance for TNPSC, TNUSRB, SSC, RRB and NEET examinations.

OUR VISION

To build strong, inclusive communities through education, health, sustainable livelihoods and community development.

OUR MISSION

To empower communities through quality education, health and nutrition, skill development, livelihood opportunities and community-based interventions, enabling individuals and families to live with dignity and opportunities

OUR VALUES

Inclusivity | Dignity | Empowerment | Equity | Integrity | Collaboration Excellence | Sustainability

MESSAGE FROM THE FOUNDER

Kalangarai began with a simple belief

"A student's dreams should never be limited by the economic circumstances of ones family."

During my journey preparing for competitive examinations, I saw many talented rural students struggle due to the lack of proper guidance, coaching, study materials and financial support.

This experience led to a simple question

"Why should a student's talent be held back simply because they cannot afford it?"

That question became the foundation of Kalangarai's journey towards providing free education, coaching for competitive examination career guidance and community support.
We also realised that students need support beyond education. A safe and supportive environment, nutrition, encouragement and mentoring can make a meaningful difference in a child's journey.

LOOKING TOWARDS THE FUTURE

Our vision extends beyond competitive examinations. We aim to create new opportunities through technology, digital learning, skills, education and community development.

We believe:
Government employment is possible.
Higher education is possible.
Technology creates new opportunities.
Every student can dream and progress.

We invite individuals, institutions, social organisations and CSR partners to join us in creating meaningful opportunities for rural and disadvantaged communities.
"Just as Kalangarai represents a guiding light, our mission is to light the path towards a better future."

A NEW BEGINNING — SINDHANAI SIRPI

Sindhanai Sirpi – After-School Centre marks the next phase of our educational journey. The centre provides children with a safe and supportive environment for learning, guidance, nutrition and skill development after school hours.

WHO WE SERVE

Rural Students

We support students from rural communities who face limited access to quality coaching, educational resources and career guidance. Our programmes help them build academic skills, confidence and pathways to achieve higher education and employment.

First-Generation Learners

We support young people who are among the first in their families to pursue higher education or competitive examinations. Through mentoring, coaching and career guidance, we help them understand and access opportunities that can transform their future.

Economically Disadvantaged Families

We focus on students and families who may not be able to afford private coaching or additional educational support. Free learning,preparation examination and guidance help reduce financial barriers and create equal opportunities.

JOURNEY 2018-22

2018 — Foundation

Kalangarai Charitable and Educational Trust was established in Nagapattinam with a vision to support education, youth development and social welfare, particularly for rural and economically disadvantaged communities.

2019 — Competitive Examination Awareness

Kalangarai IAS Academy organised a competitive examination awareness programme at **EGS Pillay College, Nagapattinam, introducing students and youth to UPSC, TNPSC, TNUSRB and RRB examinations,** career opportunities and preparation strategies.

2020–2022 — Building the Foundation

During this period, the Trust continued strengthening its educational and community-focused work, laying the foundation for its future free coaching, career guidance and youth development programmes.

The focus was on reaching students from rural and economically weaker backgrounds, creating awareness about Availabe education and employment opportunities, and developing a stronger community presence.

This period marked the transition from a small initiative into a growing educational and socialy-supportive movement.

BUILDING THE FOUNDATION

Kalangarai's educational journey began by creating awareness about opportunities and gradually developed into a structured support system for students aspiring for higher education and government employment.

Awareness

The Trust and Kalangarai IAS Academy introduced rural students and youth to opportunities available through TNPSC, TNUSRB, SSC, RRB and NEET examinations. Competitive-examination awareness programmes helped students understand examination patterns, career opportunities and preparation strategies.

Mentoring

Beyond classroom teaching, students were supported through motivation, doubt-clearing, study guidance and career counselling. This helped aspirants develop confidence, discipline and a clearer preparation plan.

Coaching

The Trust developed free coaching programmes to reduce the financial barriers faced by economically disadvantaged students. Students received structured preparation for competitive examinations and entrance examinations.

Examination Preparation

Programmes included to face TNPSC and TNUSRB , model examinations and NEET coaching. The Trust's activities report documents provide model examinations conducted under examination-like conditions to help candidates assess their preparation and improve time management.

Career Opportunities

The ultimate aim is to help students move from **learning to avil the opportunities**—whether through government employment, higher education or professional education. The Trust profile records students securing government employment and admissions through NEET.

2023 EXPANDING ACCESS

2023 marked an important phase in Kalangarai's journey with the launch of its Free Training Centre. The inauguration brought together senior government officials, community leaders, Educationists and other stakeholders, reflecting growing community and institutional engagement with the Trust's educational mission.

26 April 2023 | Nagapattinam

The programme introduced students to centre facilities, competitive exams, career opportunities and study guidance besides motivation, especially for rural and disadvantaged students.

IMPACT AT A GLANCE

500+ Students Reached

Students gained awareness of competitive exams and educational opportunities, while the programme increased rural students' interest and strengthened Kalangarai's educational outreach.

Special Motivational Session

19 May 2023 | Kalangarai Free Training Centre, Nagapattinam

As part of its commitment to supporting young people preparing for government employment, Kalangarai conducted a special motivational session for students preparing for the TNUSRB Police Constable and Sub-Inspector examinations.

The session was led by the Additional Collector (PAG), Nagapattinam District, Mr. Raman, who interacted directly with the stude students free-coaching students and encouraged them to approach their preparation for the examination preparation with discipline, dedication and consistency, along with time - management.

A SESSION BEYOND THE CLASSROOM

The interaction gave aspirants an opportunity to hear directly from a senior district level official and understand the importance of:

- Consistent preparation and disciplined study habits
- Understanding examination strategy and preparing systematically
- Maintaining dedication and confidence throughout the preparation journey
- Developing the mindset required for a career in public service
- Staying committed despite the challenges faced their preparation for during competitive examinations.

The Additional Collector appreciated the Trust's contribution towards providing free coaching opportunities for rural students and encouraged the academic team in its educational efforts.

Students Benefited

IMPACT 100+

The programme created a positive learning environment and strengthened the confidence and motivated the of students preparing for the upcoming government examinations. It also strengthened the connection between the academy, students and district-level public administration.

INTERNATIONAL YOGA DAY

Nurturing Mind, Body & Discipline
2019–2026 | A Continuing Wellness Initiative

Since 2019, Kalangarai has been observing International Yoga Day with the active participation of our volunteers and students, making wellness and mental well-being an important part of our educational journey.

The initiative goes beyond academic preparation. Competitive examinations require concentration, discipline and the ability to manage stress. Through yoga sessions, students are encouraged to develop healthy habits that support both their personal well-being and examination preparation.

KEY FOCUS AREAS

Basic Yoga Postures

Introducing students to simple and practical yoga practices that can be incorporated into their daily routine.

Breathing Techniques

Helping students develop awareness of breathing and relaxation.

Relaxation & Stress Management

Creating a calm mind set and encouraging students to manage examination-related stress.

Concentration & Focus

Supporting better attention and mental readiness for learning and examination preparation.

Discipline & Healthy Habits

Encouraging students to develop regular routines and a balanced approach to education and personal well-being.

OUR MESSAGE

"A healthy mind and disciplined body create a stronger foundation for learning, confidence and success."

CELEBRATING STUDENT ACHIEVEMENT

Tamil Nadu Fisheries University – Student Achievement Ceremony

Academic success deserves recognition. In 2023, Kalangarai Charitable and Educational Trust, in collaboration with the Tamil Nadu Fishermen Welfare Association, organised a special Achievement and Appreciation Ceremony to honour the students who had excelled in their university examinations and received Gold Medals.

The achievers were presented with appreciation certificates and shields by the university administrators, who while celebrating their academic excellence encouraged them to aim higher in their educational and professional journey.

ENCOURAGING THE NEXT STEP

The programme was not limited to recognising past achievement. University faculty members, administrative officers and leaders from the fisherfolk community interacted with the students and delivered motivational messages encouraging them to pursue government service and future competitive examinations.

THE EVENT ALSO CREATED AWARENESS ABOUT THE AVAILABILITY OF

- TNPSC and other competitive examinations
- Government career opportunities

The programme introduced the students to major competitive examination pathways, including:

Students were given an understanding of: ***UPSC | TNPSC | TNUSRB | RRB***

- ***Different competitive examinations and their career pathways***
- ***Examination patterns and selection processes***
- ***Preparation strategies and study planning***
- ***Government career opportunities***
- ***The importance of consistent preparation and discipline***
- ***Opportunities to contribute to society through public service***

PRACTICE BEFORE PERFORMANCE

Free model examination conducted for:

TNPSC Group IV + Tamil Nadu Police Recruitment

Students experienced examination-like conditions and received guidance to identify areas for improvement.

Outcomes:

- Examination readiness
- Time management
- Test-taking skills
- Confidence among rural aspirants

FROM A BASKETBALL PLAYER TO A SUCCESSFUL SUB-INSPECTOR KALANGARAI'S JOURNEY OF EMPOWERMENT

Kalaivani

My name is **Kalaivani**. I am 23 years old and hail from Nagapattinam district. I come from a family background affected by the tsunami.

I have also participated in state-level basketball competitions as an accomplished basketball player. When I was studying at CSC School, Mr. Kamal, the Director of Kalangarai Trust, was my basketball coach. His guidance during that time, followed by the encouragement I received from Kalangarai Trust, brought about a significant change in my life. In 2025, I joined Kalangarai IAS Academy and prepared for competitive examinations with complete dedication. In my very first attempt, I passed the Sub-Inspector of

Police (SI) examination and joined the police service in Nagapattinam district. I am currently serving as an SI in Chennai district. The guidance provided by Kalangarai Trust and the training at the academy played a major role in making my dream a reality. I will always remain grateful for their support.

TURNING DEDICATION INTO SUCCESS: A GOVERNMENT CAREER ACHIEVED WITHIN ONE YEAR

Karthik

My name is **Karthik**. I am 29 years old and I am from Madurai. My elder brother is working as a Sub-Inspector (SI) in Nagapattinam. While staying in Nagapattinam to support him, I came to know about Kalangarai IAS Academy through my brother.

Following his advice, I joined the academy for competitive exam coaching. After joining Kalangarai, I prepared for the examinations with complete dedication and consistent effort. As a result of my hard work, I cleared the examination in 2024 and received my appointment within a year of starting my preparation. I am currently working in the Armed Reserve (AR) Division in Madurai. Kalangarai provided me with the right environment, guidance, and encouragement to stay.

focused on my goal. Having my dream fulfilled within a year is one of the most memorable achievements of my life.

FROM HUMBLE BEGINNINGS TO POLICE SERVICE: A JOURNEY OF PERSEVERANCE AND SUCCESS

I am **Rahuman**, 29, from Thittachery, and I come from a humble family background. My father is

is daily-wage labourer and my mother is a homemaker. I began preparing seriously for competitive examinations in 2022, with the dream of joining government service.My daily routine was built around discipline, physical training and dedicated studies.

Rahuman

I attended coaching classes at Kalangarai IAS Academy and spent my days preparing for the examination. The guidance, motivation and supportive learning environment at Kalangarai gave me the confidence to keep moving towards my goal.

Through continuous hard work and perseverance, I successfully cleared the 2024 SI Examination and received my posting in Vedaranyam. Today, I am serving as a Sub-Inspector of Police.My journey has taught me that our background does not define our future.

With determination, discipline, perseverance and the right guidance, we can turn our dreams into reality. Kalangarai played an important role in giving my journey the right direction, confidence and motivation to succeed.

MODEL EXAMINATIONS

PRACTICE BEFORE PERFORMANCE

Building Examination Readiness Through Realistic Practice

Success in competitive examinations requires more than subject knowledge. Students also need the ability to manage time, understand examination patterns, handle pressure and apply their preparation effectively within a limited period.To support this, Kalangarai Charitable and Educational Trust conducted free model examinations for TNPSC Group IV and Tamil Nadu Police Recruitment examinations, providing aspirants with an opportunity to experience an examination environment similar to the actual recruitment process.

The programme focused on:

- **Exam Practice** – **Building familiarity with competitive exam patterns.**
- **Time Management** – **Improving speed and effective time allocation.**
- **Test-Taking Skills** – **Developing accuracy and exam strategy.**
- **Self-Assessment** – **Identifying strengths and areas for improvement.**
- **Guidance & Feedback** – **Supporting better preparation through feedback.**
- **Confidence Building** – **Preparing students to face exams with confidence.**

M A RURAL DREAM TO A JUDICIAL CAREER: NAVEENA'S INSPIRING JOURNEY

Naveena, a resident of Sikkal village, is an inspiring example of determination, hard work, and perseverance. Coming from a financially disadvantaged agricultural family, with her father working as a farmer, she faced financial challenges while pursuing her dream of becoming an IAS officer.

She joined Kalangarai IAS Academy, Kadambadi, where she received quality UPSC coaching at an affordable cost. The academy provided experienced faculty, strong foundational teaching, and a supportive learning environment, helping her continue her preparation despite financial difficulties.

Naveena also achieved academic excellence by securing a Gold Medal at Tamil Nadu Dr. J. Jayalalithaa Fisheries University, presented by the Governor of Tamil Nadu, in recognition of her outstanding academic performance.

Adding another milestone to her journey, Naveena has now secured a position as a Tapedar at Nagapattinam Court and has joined duty. This achievement marks an important step in her professional life while she continues to aspire to become an IAS officer.

Her journey demonstrates how affordable education, proper guidance, and personal determination can help rural students overcome challenges and pursue their ambitions.

Kalangarai IAS Academy proudly congratulates Naveena on her achievements and wishes her continued success in her career and future UPSC journey.

FROM BROTHERHOOD TO SUCCESS: INSPIRING A FAMILY THROUGH GOVERNMENT SERVICE

My name is **Sathish**. I am 28 years old and hail from Kadambadi, Nagapattinam district. I joined Kalangarai IAS Academy along with my elder brother to prepare for competitive examinations.Initially, I began studying seriously by following my brother's example. However, the encouragement and motivation provided by Kalangarai inspired me to put in even greater effort.

By focusing wholeheartedly on my studies, I got the opportunity to secure a government job within just one year. I am currently serving in the AR (Armed Reserve) division in Nagapattinam. My elder brother was also very happy to see my success.

My achievement gave him renewed confidence, and he continues to pursue his own efforts. My success is not just my own; it has also become a source of encouragement for my elder brother, who is inspired by me to keep trying. Kalangarai's motivation and guidance played an important role in giving momentum to my journey.

FROM A FISHERMAN'S FAMILY TO PUBLIC SERVICE: A JOURNEY OF PERSEVERANCE AND SUCCESS

Muthukkumar

My name is **Muthukkumar.** I am 25 years old from Keechankuppam, Nagapattinam district. My family was also affected by the tsunami. My father is a fisherman, and my mother sells fish to support our family.Despite my family background and the challenges I faced, I pursued my dream of joining government service by studying full-time at Kalangarai IAS Academy. I prepared for the examinations every day with complete dedication and hard work. As a result of my perseverance, I cleared the examination in 2021 am currently serving as a Village Administrative Officer in Nagapattinam district. Coming from a humble family background, the training and learning environment provided by Kalangarai were a great source of support, helping me work wholeheartedly towards my dream. The success I have achieved today is a recognition of my perseverance and support of this institution

FROM AWARENESS TO ACHIEVEMENT: MATHIVANAN'S SUCCESS STORY

Mathivanan

My name is **Mathivanan**. I am 35 years old and originally from Virudhachalam. My wife works in the Postal Department, and when she was transferred to Nagapattinam, we moved there together.During that time, I had the opportunity to attend the Competitive Exam Awareness Training conducted by Kalangarai. The training changed my perspective towards competitive examinations and inspired me to begin my own preparation. I then joined Kalangarai for further coaching and prepared with consistent effort and dedication. Within a year, I cleared the examination and am currently working at the Virudhachalam Cooperative Society. That awareness training helped me realise that I, too, had the opportunity to achieve a better future. It opened a new path in my life, and Kalangarai's training and guidance helped me turn that opportunity into an achievement.

A MOTHER'S COURAGE: OVERCOMING CHALLENGES THROUGH EDUCATION

Farhana

My name is **Farkana**. I am 27 years old and hail from Nagapattinam district. I am married and have two children.In 2024, while I was studying, I was pregnant with my second child. Even during the final months of my pregnancy, and despite my family responsibilities, I continued my studies without giving up. With the sole determination to succeed in the examination, I studied with great dedication and perseverance. During that time, the educational support and encouragement provided by Kalangarai Trust were a great source of strength for me. That support gave me the confidence to continue studying despite my family circumstances and physical difficulties. As a result of my hard work, I passed the examination. It brought me immense happiness and gave me the confidence that I, too, could achieve my dreams. However, I could not succeed in the next stage, the selection process for the post. Although the result was somewhat disappointing, I did not lose heart. I reminded myself that one opportunity had been missed, but my dream was not over.As a mother and a woman with family responsibilities, the opportunity and support provided by Kalangarai Trust gave me the courage to continue pursuing my dream. Through my journey, I have learned one thing: no matter how difficult our circumstances may be, if we continue to work hard without giving up on our dreams, we can certainly move forward and achieve success. I express my heartfelt gratitude to Kalangarai Trust for the support and encouragement it has provided me.

TURNING SETBACKS INTO SUCCESS: A STORY OF RESILIENCE AND DETERMINATION

My name is **Santhosh**, and I am 29 years old. I am from Akkaraipettai in Nagapattinam district. Born into a family affected by the 2004 tsunami, I faced many challenges while pursuing my dream of securing a government job.

I was unsuccessful in my first two attempts. However, I did not lose heart. I continued my efforts and succeeded on my third attempt. I am currently serving as a Police Constable in the Fire and Rescue Services Department in Nagapattinam district.

Throughout my journey to success, Kalangarai's training and guidance stoodwith helped me choose the right path and move forward with confidence. My life has taught me one thing as long as we continue to try, there is no end to our dreams

FISHERIES UNIVERSITY CAREER GUIDANCE

FROM CAMPUS TO CAREER

Career Awareness for Future Public Service Aspirants

Higher education provides students with academic knowledge, but career awareness and proper guidance are equally important in helping them identify suitable professional pathways. Recognising this need, Kalangarai Charitable and Educational Trust, through Kalangarai IAS Academy, conducted a Career Guidance and TNPSC Awareness Programme for students of Tamil Nadu Dr. J. Jayalalithaa Fisheries University.

The programme focused on introducing students to TNPSC Group examinations and government career opportunities, while helping them understand how competitive-examination preparation can be integrated with their regular academic studies.

KEY AREAS COVERED

TNPSC Examinations – Awareness of exam pathways and government recruitment opportunities.
Government Careers – Introduction to public-sector career opportunities.
Eligibility & Exam Pattern – Understanding requirements and examination structure.
Preparation Strategies – Guidance for systematic exam preparation.
Study Planning – Developing structured study schedules alongside academics.
Career Development – Connecting education with long-term career opportunities.

IMPACT

The programme received an enthusiastic response from students. Participants gained valuable insights into TNPSC examinations, eligibility criteria, preparation methods and public-sector career prospects. The initiative also motivated students to participate in competitive examinations and encouraged them to consider careers in public service

DIFFERENTLY ABLED INCLUSIVE DEVELOPMENT

LEAVING NO ONE BEHIND

Kalangarai Charitable and Educational Trust believes that access to education, guidance and career opportunities should not be limited by disability, economic circumstances or social background.

The Trust's registered areas of work include Differently Abled, Education & Literacy, Labour & Employment, Women's Development & Empowerment and Youth Affairs. This reflects its broader commitment to building an inclusive society where every individual has the opportunity to learn, develop skills and pursue a dignified future.

A JOURNEY OF DETERMINATION

Keerthana's Story

Keerthana, aged 25, is from Kottar Vasapadi, Nagapattinam district. Her father runs a small banana-vending business using a pushcart to support the family.

Keerthana is a person with visual disability who had a strong ambition to secure a government job. She joined Kalangarai IAS Academy and continued preparing for competitive examinations for three years.

Her journey was not easy. She reached the Main Examination stage of the TNPSC Group II examination several times and even reached the posting stage in the Group IV examination, but was unable to secure an appointment. These repeated setbacks caused deep disappointment, but she refused to give up on her goal.

From Setbacks to Government Service

THREE YEARS OF PERSISTENCE

Throughout this period, the training, guidance and continuous encouragement provided by Kalangarai became an important source of strength for her.

Rather than allowing repeated setbacks to define her future, Keerthana continued preparing, learning from every attempt and moving forward with determination.

2025 — A DREAM BECOMES REALITY

In 2025, Keerthana cleared the TNPSC Group IV examination and received a government job appointment in the Education Department.

Her appointment marked not only the achievement of a personal ambition, but also the culmination of three years of persistence, preparation and continued support.

HER MESSAGE ABOUT KALANGARAI

"Kalangarai serves as a guiding light for many students like me. To me, Kalangarai is not just an organisation; it is a family-like movement that believes in us, stands by us, and celebrates our success as its own."

OUR DEDICATED STAFF: COMMITTED TO EDUCATION AND STUDENT SUCCESS

Mr. Gopalakrishnan has been associated with Kalangarai IAS Academy, visiting the academy twice a week to conduct TNPSC and NEET competitive examination classes for students. Having himself succeeded in competitive examinations, he shares his experiences with students and continues to provide them with proper guidance and encouragement. After passing the TRB examination in 2023, he joined his first posting in Tiruttani and is currently working in Chennai. His special contribution lies in transforming his own success journey into guidance for students' success and continuing to support the educational mission of Kalangarai IAS Academy.

Gopala Krishnan

A COMMITTED EDUCATOR: INSPIRING STUDENTS THROUGH KNOWLEDGE AND GUIDANCE

Mr. Babu Prabudas has been continuously associated with Kalangarai Trust from Chennai. He regularly provides students with awareness about various competitive examinations, motivational classes, and guidance. An author of books on competitive examinations, he is currently working with the "Kalvi" channel. He also continues to contribute to the academy's activities in the OMR area, conducting classes and competitive examination awareness programmes for college students. His continued role as a guide and motivator for students' educational and employment aspirations is a valuable contribution to the educational mission of Kalangarai Trust.

அரசு வேலைக்கான

கலங்கரை விளக்கம்!

"சார், நீங்க என்ன படிச்சிருக்கீங்க..?" என்று கேள்வியை தான்டி "நீங்க என்ன வேலை செய்திருக்க..?" என்கிற கேள்விதான் இந்தியாவில் படித்த கோடிக்கணக்கான இளைஞர்களை பாதுகாப்புக் கவசங்கிற கேள்வியாக இருக்கிறது. குறிப்பாக தமிழகத்தில் 70 லட்சம் இளைஞர்களுக்கு அரசு வேலை என்பது பெரும் கனவாக இருந்து வருகிறது. படித்து முடித்ததிட்டு அரசு வேலைக்காக பதிவு செய்து விட்டு காத்துக்கொண்டும், அரசு நடத்துகின்ற TNPSC போன்ற தேர்வுகளை எழுதிக் கொண்டும் தமிழக இளைஞர்கள் எடுக்கும் முடிவுகள் ஏராளம். ஆனால் வேலை என்னவோ பெரும் நகரங்களுக்குத் தான் கிடைக்கிறது. படித்து முடித்த ஒரு இளைஞர் அரசு வேலை பெறுவதற்காக படிப்பையும் தாண்டி அரசு நடத்துகின்ற தேர்வுகளை சந்திக்கும் சவால்களுக்கு துள்ளப்படுகிறார்.

'உயர்ந்த நிலைக்குச் சென்றாலும் மக்களை மறந்து விடக்கூடாது'

நாகப்பட்டினம், ஆக. 7: மாணவர்கள் படித்து முன்னேறி எவ்வளவு உயர்ந்த நிலைக்குச் சென்றாலும் மக்களை மறந்து விடக்கூடாது என்றார் தேசிய நகாநார நிட்ட இயக்குநர் ஏ. அருண் தம்புராஜ்.

நாகையில் கலங்கரை ஐஏஎஸ் அகாதெமி சார்பில், டிஎன்பிஎஸ்சி தொகுதி 2 மற்றும் காவல் சார்பு ஆய்வாளர் தேர்வுக்கான இலவச பயிற்சி வகுப்பு தொடக்க விழா கலங்கரை அறக்கட்டளை நிறுவனர் வி. கமல் தலைமையில் வியாழக்கிழமை நடைபெற்றது. பயிற்சியை தமிழ்நாடு தேசிய நலவாழ்வுக் குழும இயக்குநர் ஏ. அருண் தம்புராஜ் தொடங்கிவைத்து பேசியதாவது: நாகை போன்ற கடலோர மாவட்டத்தில் இதுபோன்ற இலவச பயிற்சி வகுப்புகள் தொடர்ந்து மிகவும் அரிதானது. அனால், முதல் முறை தோல்வியைக் கண்டவுடன் துவண்டுவிடக் கூடாது. விடாமுயற்சியே அனைவருக்கும் வெற்றியை தரும். தெற்றி தாமதமாகக் கூட வரலாம். ஆனால் முயற்சியை விட்டுவிடக்கூடாது. தொடர் முயற்சியுடன் பயன் நிச்சயமாக நம்மை வந்தடையும். இந்தியாவில் மிக உயர்ந்த தேர்வான ஐஏஎஸ் தேர்வு மிகக்கடினமானது.

இலவச பயிற்சி வகுப்புகளைத் தொடங்கிவைத்து பேசிய தேசிய ககாநார திட்ட இயக்குநர் ஏ. அருண் தம்புராஜ்.

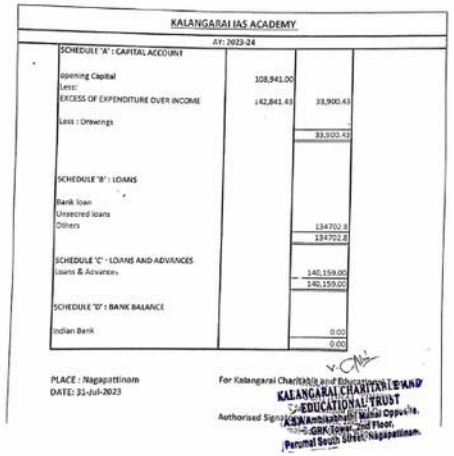

ஆனால் நம்மால் முடியாதது என்று நம்மை நாமே தாழ்த்திக் கொள்ளக் கூடாது. பிகிக்கிளால தி ப ரி டல், அதற்குரிய புத்தகங்கள், விடாமல் படிக்கும் முயற்சி என்று இட்டமிட்டு படித்தால் அந்தத் தேர்வினும் வெற்றி பெற முடியும். எல்லோரும் முதல் முறை தேர்வியேயே ஐஏஎஸ் ஆகி விடுவது இல்லை.

தேர்வு என்று வந்துவிட்டால் ஓராண்டை அதற்கு அர்ப்பணிக்க வேண்டும். ஓராண்டு முழுவதும் அனைத்து பிரச்னைகளையும் தள்ளி வைத்து விட்டு படிப்பில் முழுமையாக கவனம் செலுத்த வேண்டும். அடிக்கடி மாறித் தேர்வுகள் எழுதிக்கொண்டே இருக்கக் கூடாது. ஆனால் முயற்சி என்பது ஒரு தேர்வை மட்டும் நோக்கி இருக்கக் கூடாது. ஒரு தேர்வு என்பது ஒரு வாய்ப்பு மட்டுமே. அதில் தோல்வி அடைந்தால் மீண்டும் முயற்சி செய்ய வேண்டும். ஆனால் முயற்சியை விட்டுவிடக் கூடாது. அதுபோல் தேர்வுகளில் வெற்றி பெற்று உயர்ந்த நிலைக்குச் சென்றாலும் மக்களை மறந்து விடக்கூடாது. படித்து முன்னேறி எவ்வளவு உயர்ந்த நிலைக்குச் சென்றாலும் மக்களை மறந்துவிடக் கூடாது.

நான் தேர்வு எழுதியபோது முதல் மூன்று முறை தோல்வியைத் தழுவினேன். அதில் சோர்ந்து 2 ஆண்டுகள் பயிற்சியும் முடித்தேன். பிறகு மீண்டும் தேர்வு எழுதி ஐஏஎஸ் தேர்வில் பெற்றேன். ஐஏஎஸ் பணியில் 2 ஆண்டுகள் பெற்ற பயிற்சி, மாவட்ட ஆட்சியராக சிறப்பாக பணியாற்ற உதவியது. படிப்பு தான் நம்மை உயர்த்தும் என்பதை மாணவர்கள் மனதில் கொள்ள வேண்டும். தங்களுக்கு கிடைத்த வாய்ப்பை மக்களுக்கு சேவை செய்ய பயன்படுத்த வேண்டும் என்றார்.

இதில் தமிழ்நாடு மீன் வளர்ச்சிக் கழகத் தலைவர் எஸ். கௌதமன், நாகை நகர்மன்றத் தலைவர் இரா. மாரிமுத்து, எம்கே. கந்தராகுமார் உள்ளிட்டோர் பங்கேற்றனர்.

SINTHANAI SIRPI

KALANGARAI CHARITABLE AND EDUCATIONAL TRUST
SINDHANAI SIRPI – AFTER-SCHOOL CENTRE

Beyond Tuition. Towards Holistic Child Development.

The Sindhanai Sirpi After-School Centre focuses on the all-round development of underprivileged rural children. Beyond conventional tuition, our programme combines academic support with creativity, communication, confidence-building, life skills, technology awareness and well-being.

What Makes Our Approach Different?

1. Beyond Academic Education
We go beyond school subjects and marks to nurture creativity, curiosity, confidence, communication and essential life skills.

2. Learning Beyond Textbooks
Storytelling, creative activities, general knowledge, newspaper reading and interactive sessions make learning enjoyable and meaningful.

3. Spoken English and Communication Skills
Children receive opportunities to practise spoken English, develop vocabulary, express their thoughts and communicate with greater confidence.

4. Early Exposure to AI and Technology
We introduce basic AI concepts, technology awareness and safe digital practices to familiarise children with emerging technologies.

5. Learning Through Stories and Values
Story-based learning encourages imagination, listening, independent thinking, creativity and an understanding of values.

6. Nutrition and Healthy Habits
Healthy snacks and nutrition awareness complement educational activities and encourage children to develop healthy habits.

7. Support for Rural and Underprivileged Children
Learning materials and stationery support help children participate in educational activities and access additional learning opportunities.

8. Confidence and Individual Growth
We encourage every child to ask questions, share ideas, participate actively and discover their individual interests and strengths.

9. A Safe and Supportive Learning Environment
We strive to create a welcoming, child-centred environment where children can explore, interact and learn without fear of making mistakes.

10. Preparing Children for the Future
By combining academics, communication, creativity, life skills, healthy habits and technology awareness, we help children build a foundation for future opportunities.

Our Unique Identity

Our vision is to ensure that every child, regardless of socioeconomic background, has opportunities to learn beyond textbooks, discover their potential and grow into a confident, capable and curious individual.

"We do not focus only on what children learn; we focus on who they become."
Education • Empowerment • Social

Transformation

Through Sindhanai Sirpi, Kalangarai Charitable and Educational Trust adopts a holistic, child-centred approach to rural education. We aim to address not only academic learning gaps but also barriers relating to confidence, communication, exposure and access to learning resources.

FUTURE PLAN | 2026–2030

OUR NEXT CHAPTER — 2026 ONWARDS

2026-2027 | BUILDING THE FOUNDATION

1. Sindhanai Sirpi – After-School Centres

Expand after-school learning support to underserved communities, focusing on academic support, reading habits, life skills and a safe learning environment.

2. AI & Digital Learning Initiative

Introduce children and communities to Artificial Intelligence, digital skills and emerging technologies through practical and accessible learning programmes.

3. Self-Help Group (SHG) Initiative

Support women and community members through SHGs, financial awareness, skill development and livelihood-oriented activities.

4. Nutrition & Malnutrition Support

Develop programmes supporting child nutrition and vulnerable families facing nutritional challenges.

5. School & Science Day Programmes

Conduct science activities, exhibitions, educational events and awareness programmes to encourage curiosity and scientific thinking.

6. Business & Livelihood Development

Support individuals and small community entrepreneurs through skill development, business awareness and livelihood opportunities.

7. Higher Education Support

Help deserving students pursue higher education through career guidance, scholarships and educational support.

8. Sports & Youth Development

Promote sports, physical fitness, teamwork and leadership among rural children and youth.

9. Environmental Initiatives

Develop community programmes focused on tree planting, environmental awareness, waste management and sustainable practices.

10. Women Empowerment HUB

Create a dedicated platform supporting women through skills, entrepreneurship, financial awareness, digital literacy and livelihood opportunities.

A Heartfelt Thank You to Our Sponsors

Kalangarai Charitable & Educational Trust extends its heartfelt gratitude to all our sponsors, donors and well-wishers who continue to support our educational and community welfare initiatives. Your generous contributions and encouragement play a vital role in supporting our students' education, growth and brighter future.

We kindly request your continued support in our journey to create positive change in the lives of more children. We also warmly welcome individuals, businesses, organisations and well-wishers who wish to contribute to our future educational and social welfare initiatives through financial assistance, educational materials or other forms of support.

Your support is more than a contribution; it is an investment in a child's dreams, education and brighter future!
